Review Game "Birthday Points"

Materials:
"Birthday Points" reproducible
(See GNC Resource Pack.)

Instructions:
Divide the children into teams. Write the 12 months of the year in big letters on a piece of paper. When a child answers a question correctly, have him choose a month of the year and cross it off the list. Every person with a birthday in that month has to stand up while everyone else quickly sings "Happy birthday to you! Happy birthday to you! Happy birthday! God loves you! Happy birthday to you!" While everyone is singing, count the number of people who have birthdays in the chosen month and award 100 points to the child's team for each person standing. Continue playing until all the months have been chosen. Each month may be chosen only once.

Preschool Review Game "How Old Are You?"

When a child correctly answers a question, ask him how old he is and have all the children count out loud to that number. Award everyone that many points. If possible, repeat so all children have a chance to answer a question and tell how old they are.
