

WONDER TIME

"God Is Merciful"

(Read Psalm 150:2.) God wants us to praise Him for who He is and what He has done. Last week we talked about God's promises. Who can pop up and tell us one promise you found in God's Word last week? *(Allow several children to share. Take a moment to praise God for that promise. Be prepared to share an example from your own Quiet Time.)*

This week we talked about God's mercy. We can praise God for His mercy. When you are praying to God, take the time to praise Him because He is merciful. Say with me, **"Praise God for His mercy!"** *(Say with children.)*

This week as you have your Quiet Time with God, spend part of that time praising Him for all the good things He does for you and others. Let's pray right now and praise God for the mercy He shows us. *(Pray with children.)*
