Suggested times to point out specific historical events and locations are indicated in the sidebars of the text.

Note: The Timeline and Bible Map are provided in the Starter Resource Pack. You can place the Timeline on a wall or put each piece on thick cardboard and tape them together so it folds accordion-style. This allows the visual to be folded for easy moving and storage and unfolded to stand on its own.

Visualized Bible Verse Booklet

Use the Visualized Bible Verse Booklet during the Memory Verse teaching in each *Good News Club*®. If you quote the memory verse during the Bible lesson or other club segments, you may show the Visualized Bible Verse Booklet to help children remember the verse.

Word Up! Booklet

Hold up the Word Up! card each time you want the children to stand up and repeat that day's Word Up!. Be sure to explain the Word Up! at the beginning of the club hour. Word Up! explanations are provided in the Bible lesson text before each Small Group Time.

Quiet Time Sheets

Photocopy one double-sided "Quiet Time Sheet" for each child and hand out at the end of each club. Encourage the children to have a quiet time each day and bring back their "Quiet Time Sheet" the next week. During Small Group Time, discuss with the children what they learned during their quiet times that week. If desired, offer a reward to those who bring back their completed "Quiet Time Sheet."
